OFFICE OF THE STATE AUDITOR

SALT LAKE CITY, UTAH 84114

SHERMAN J. PREECE
AUDITOR

February 27, 1970

Dear Mr. Ebaugh:

This office has not as yet received the last audit from the town of SOLDIER SUMMIT. The State law stipulates ALL STATE MONIES ARE TO BE WITHHELD from any city or town until the annual (or biennial) audit has been received.

We are holding your check reflecting your share of the liquor profits. Within the immediate future there will be the distribution from tax collections and road funds.

May we receive your delinquent audit soon? A copy of the law is enclosed.

Sincerely,

K. B. Christenson
